

RESIDENCE SUITE

The 1200 sq. ft. Residence Suite offers rooftop garden views overlooking the ocean and Coastal Mountains. Upon entering you will be welcomed by the spaciousness of the suite including a living room, dining table with seating for six, fully equipped kitchen and bar seating for four. A glass partition separates the dining area from the open living space that features two large couches and an entertainment unit. The master bedroom features a king size pillow top bed. The Italian marble bathroom has a steam shower, separate bath tub and an airy walk-in closet.

Not only is this suite convenient for long stays, but also for large families as it can be made into a two, three or four bedroom suite.
