At Peach Blossoms, we celebrate Chinese cuisine
shaped by Singapore's rich culinary heritage.

Rooted in Chinese traditions including *Teochew*, *Hokkien*, *Hakka*, *Cantonese* and *Hainanese*, our cuisine reflects the journeys of generations who made Singapore their home. Over time, these traditions evolved alongside the diverse cultures of Southeast Asia, shaping the distinctive Chinese culinary identity of Singapore today.

Executive Chinese Chef Edward Chong brings a contemporary perspective to this rich tradition. Guided by refined craftsmanship, deep respect for the finest and freshest ingredients and a flair for innovation, he reimagines familiar flavours with finesse, staying true to traditions while embracing a modern spirit.

We invite you to savour a distinctive expression of fine Chinese cuisine in Singapore, where heritage and innovation converge with the rich flavours of Southeast Asia.
