Celebrating Mum: A Month of Love, Joy & Togetherness

Dear Valued Residents,

May brings a wonderful opportunity to celebrate the incredible women who fill our lives with love and care. Mother's Day is a time to slow down, show appreciation, and create joyful moments with the ones who matter most.

Whether it's sharing laughter over a meal, enjoying a relaxed day out, or simply spending quality time together, this season is all about cherishing those meaningful connections.

At PARKROYAL Serviced Suites Singapore, we are grateful for the vibrant community that makes our residence feel like home. We hope this month brings you and your loved ones plenty of warmth, happiness, and special memories.

Wishing all mothers a happy and heartwarming Mother's Day!

Piadini Italian Gourmet Wraps

While pizza and pasta conquered the world, Italy quietly guarded one of its oldest street treasures close — the **Piadina**. Born in the medieval towns of Emilia-Romagna, this golden flatbread once nourished artisans and travellers. Griddled to perfection, soft yet crisp, it folds warmly around fine, honest ingredients.

At Piadini Italian Streets, we bring this centuries-old tradition to Singapore. Each piadina is handcrafted to order, balancing heritage with modern taste.

Choose the **Classica Romagnola** for timeless comfort, the truffle-laced **Napoli Black Pearls** for bold indulgence, or the **Sicilian Savoury Trio** with our signature TrioMelt™ cheese blend, a taste that endures beyond time.
